1.0 WELCOME

1.1 A Welcome Message

Welcome to the Casco Bay Hotel! We're excited to have you on board. Our team plays an essential role in creating a comfortable, clean, and welcoming environment for every guest we serve. This handbook will guide you through the basic policies, expectations, and benefits of your employment. We look forward to building something great together.

This handbook is a general guide and not a contract. Northeastern Group Management LLC may change, update, or remove any part of this handbook at any time. We will make an effort to communicate important changes when they occur.

1.2 At-Will Employment

Employment with Northeastern Group Management LLC is "at-will." This means either you or the Company may end the employment relationship at any time, with or without notice, and with or without reason. Nothing in this handbook creates a contract or promise of continued

employment. Only a written agreement signed by the Owner can change this at-will relationship.

1.3 Equal Employment Opportunity

Northeastern Group Management LLC is an equal opportunity employer. We provide equal employment opportunities to all employees and applicants without regard to race, color, religion, sex, national origin, age, disability, or genetics. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

2.0 GENERAL POLICIES

2.1 Ethics Code

At Northeastern Group Management LLC, we expect all employees to act with honesty, integrity, and professionalism at all times. You represent our company to guests, coworkers, and the community — and we want that representation to reflect trust, fairness, and respect. You are expected to:

- Follow all laws and company policies
- Protect confidential company and guest information
- Avoid conflicts of interest
- Communicate honestly and respectfully

Any violation of our ethics code may result in disciplinary action, up to and including termination. If you ever have questions or concerns, speak with your supervisor or the General Manager.

3.0 HIRING AND ORIENTATION

3.1 Conflicts of Interest

Employees must avoid any personal or financial relationships that could interfere with their responsibilities at Northeastern Group Management LLC. If you have a potential conflict of interest for example, with a vendor, competitor, or contractor you must inform your supervisor immediately. We'll work with you to resolve the situation fairly and professionally.

3.2 Employment Authorization Verification

In compliance with federal law, all new employees must complete Form I-9 and provide acceptable documents to verify identity and authorization to work in the United States. This must be completed within three business days of your first day of work. If your work authorization is temporary, you are responsible for updating your documents before they expire to continue employment.

3.3 New Hires and Introductory Period

Your first 90 days of employment are considered an introductory period. This time helps both you and the Company evaluate your fit for the role. During this period, we will assess your performance, attendance, professionalism, and overall contribution to the team. Completion of the introductory period does not guarantee continued employment. Your at-will status remains in effect throughout and after this period.

4.0 WAGE AND HOUR POLICIES

4.1 Attendance

Being on time and present for your scheduled shifts is essential to the smooth operation of our hotel. If you're going to be late or absent, please notify your supervisor as soon as possible — preferably before your scheduled start time. Frequent or unexcused absences may lead to disciplinary action. Approved vacation, sick leave, and legal leave are not considered violations of this policy.

4.2 Business Expenses

If you incur business-related expenses (such as purchasing supplies or running work-related errands), please get pre-approval from your supervisor. Submit a completed expense report with original receipts for reimbursement. Include the date, amount, and business purpose of each expense.

4.3 Direct Deposit

We encourage all employees to enroll in direct deposit for faster and more secure payment. To sign up, complete the direct deposit form available from Payroll or your manager. Your paystubs are available via Inn-flow app/website. Contact Inn-Flow support or the general manager for any assistance or to obtain a physical copy of your paystub.

4.4 Employment Classifications

Employees are classified based on their job type and schedule:

Full-Time: Regularly scheduled to work 30 hours or more per week. Eligible for company benefits.

Part-Time: Scheduled to work fewer than 30 hours per week. Not eligible for most benefits.

Temporary/Seasonal: Hired for a short-term project or seasonal need. Not eligible for benefits.

Your classification will be confirmed at hire and updated if your role or schedule changes. If you have questions, please speak with your manager or the General Manager.

4.5 Job Abandonment

If you fail to report to work or notify your supervisor for three consecutive scheduled shifts, it may be considered job abandonment. This will be treated as a voluntary resignation unless you

can provide a valid explanation.

4.6 Paycheck Deductions

We are required by law to deduct federal and state taxes, Social Security, and other legally mandated items from your paycheck. You may also authorize voluntary deductions, such as for benefits or uniforms. If you believe there is an error or unauthorized deduction, report it to your supervisor immediately. Any verified mistake will be corrected by your next scheduled payday. You will never be penalized for reporting a payroll issue.

4.7 Recording Time

All non-exempt (hourly) employees must accurately record the time they begin and end work, including meal breaks. Use the hotel's time clock or designated timekeeping system.

- Clock in just before your shift starts and clock out immediately after it ends.
- Do not work off the clock or falsify time records.
- Report any missed punches or timekeeping issues to your supervisor immediately.

Falsifying time records or working unauthorized hours may result in disciplinary action, up to and including termination.

4.8 Meal and Rest Breaks

Employees working 6 or more consecutive hours are entitled to a 30-minute unpaid break. Let your supervisor know if you are unable to take your break.

4.9 Overtime

Non-exempt (hourly) employees are paid 1.5 times their regular rate for all hours worked over 40 in a week. Overtime must be approved in advance by your supervisor.

4.10 Pay Period

Employees are paid weekly. If a payday falls on a holiday, you will be paid on the previous business day. Contact your manager or payroll if you notice any errors in your pay.

5.0 PERFORMANCE, DISCIPLINE & TERMINATION

5.1 Criminal Activity / Arrests

Any involvement in criminal activity, whether on or off company property, may result in disciplinary action, up to and including suspension or termination, depending on the circumstances and its impact on the workplace. Employees are expected to notify their supervisor if they are arrested or charged with a crime while employed with the company.

5.2 Open Door / Conflict Resolution

We want to maintain a positive and respectful workplace. If you ever experience a problem or concern, we encourage you to speak directly with your supervisor. If the issue isn't resolved or involves your supervisor, you may bring the concern to the General Manager. We are committed to addressing concerns fairly, privately, and without retaliation.

5.3 Resignation Policy

If you decide to leave your position, we ask that you notify your supervisor in writing as soon as possible. This helps ensure a smooth transition for your team. You must return all company property (uniforms, keys, etc.) on or before your last day. Failure to return company property may result in deductions from your final paycheck, with the employee's written authorization and as permitted by Maine law. Please keep your contact information updated so we can mail your final pay and tax forms if needed.

5.4 Standards of Conduct

We are committed to providing a respectful, safe, and professional work environment for all employees, guests, and partners. By working at Northeastern Group Management LLC, you agree to follow basic workplace standards. Violations of conduct may result in disciplinary action, up to and including termination. Examples of conduct that may lead to discipline include, but are not limited to:

To minimize distractions, employees may not sell items, collect donations, or promote causes during work hours or in work areas. Non-employees are not permitted to distribute materials or solicit on company property at any time.

6.2 Personal Appearance

Your appearance represents the company. All employees are expected to report to work neat, clean, and dressed appropriately for their role. Uniforms must be worn if provided, and personal grooming should be maintained daily. Avoid excessive use of perfume or cologne. If your appearance is inappropriate for work, your supervisor may ask you to go home and return properly dressed.

6.2.1 Visitors in the Workplace

To maintain a safe and professional environment, employees may not bring children, family members, or personal visitors to the workplace during work hours. No one other than authorized hotel staff should be in the back office, laundry, kitchen, or guest areas. Exceptions require prior approval from the General Manager.

Do not share confidential company or guest information and avoid posting content that could damage the company's reputation. You may use personal social media outside of work, but posts that include offensive, discriminatory, or threatening content may result in disciplinary action if they affect the workplace.

6.6 Third Party Disclosures

If someone from the media, legal system, or other outside party contacts you about the company, do not speak on the company's behalf. Refer all such inquiries to the General Manager or the owner. This ensures accurate and consistent communication.

6.7 Workplace Privacy and Right to Inspect

All company property including lockers, computers, phones, workstations, and vehicles — belongs to the company and may be inspected at any time without notice. Do not expect personal privacy when using or storing items in company property. Personal belongings brought to work are your responsibility.

7.0 Employee Benefits and Protections

7.1 Military Leave (USERRA)

If you are called to active duty or military training, notify your supervisor as soon as possible and provide supporting documents. You will be reinstated to your position (or a similar one) upon return, in accordance with the law.

7.2 Paid Time Off (PTO)

Employees earn 1 hour of paid leave for every 40 hours worked, up to 40 hours per year, as required by Maine law. You can begin using PTO after 120 days of employment. PTO can be used for any reason — including illness, vacation, or emergencies. Please request leave at least 14 days in advance when possible. Unused PTO can carry over, up to 40 hours. Speak with your supervisor if you have questions about your time off.

7.3 Unemployment Compensation Insurance

If your employment ends, you may be eligible for unemployment benefits through the state of Maine. Eligibility is determined by state guidelines and the reason for separation.

7.4 Workers' Compensation Insurance

All employees are covered under workers' compensation insurance. If you're injured at work, report it to your supervisor immediately — even for minor injuries. This insurance helps cover medical treatment and lost wages. You may need to complete an accident report and provide a medical release before returning to work.

7.5 Disability Accommodation

We follow the Americans with Disabilities Act (ADA) and Maine law to support qualified employees with disabilities. If you need a workplace accommodation to help you perform your job duties, speak with your supervisor or the General Manager. We may request documentation

and will work with you to find a reasonable solution, unless it causes undue hardship.

7.6 Jury Duty Leave

You may take time off for jury duty. Notify your supervisor as soon as you receive a summons. Exempt (salaried) employees will not have pay reduced for partial-week absences.

7.7 Voting Leave

If your schedule does not allow time to vote, you may request time off to do so. Requests should be made in advance and coordinated with your supervisor.

7.8 Equal Employment & Non-Harassment Policy

We are an equal opportunity employer. We do not tolerate discrimination or harassment based on race, color, religion, national origin, sex, gender identity, age, disability, pregnancy, marital status, veteran status, or any other protected category. Harassment of any kind verbal, physical, or visual is strictly prohibited. If you feel harassed or witness inappropriate behavior, report it to your supervisor or the General Manager or HR or Owner immediately. Your report will be taken seriously, and retaliation is not allowed.

7.9 Religious Accommodation

7.10 Domestic Violence, Sexual Assault, or Stalking Leave

Employees may take reasonable unpaid leave to attend court, seek medical attention, or get support services related to domestic violence, sexual assault, or stalking — for themselves or immediate family members. Speak confidentially with your supervisor if you need this leave. Documentation may be required.

8.0 SAFETY AND LOSS PREVENTION

8.1 Drug and Alcohol Policy

To ensure a safe work environment, employees may not use, possess, or be under the influence of drugs or alcohol while on duty.

- Prescription medications should be used responsibly and disclosed to a supervisor if they may affect your work.

Violations of this policy may result in disciplinary action, including termination.

8.2 General Safety

Safety is everyone's responsibility. Always follow posted safety procedures and report any unsafe conditions, hazards, or injuries to your supervisor right away. If you are injured at work, no matter how small, report it immediately so we can respond and document the incident properly. Failure to follow safety rules may result in disciplinary action.

8.3 Workplace Violence

We have zero tolerance for violence, threats, or intimidation in the workplace. Prohibited conduct includes:

- Physical aggression or fighting
- Verbal threats or abusive language
- Intimidating behavior or gestures
- Possession of weapons (unless legally authorized and approved)

If you witness or experience any violent behavior, report it immediately to your supervisor or the General Manager. We will investigate all reports and take appropriate action. Retaliation against anyone who reports a concern in good faith is strictly prohibited.

9.0 TRADE SECRETS AND CONFIDENTIALITY

As part of your job, you may have access to confidential information, including guest records, business strategies, pricing, or employee details. Do not share or use this information outside of work. Protecting the privacy of our guests is paramount. Employees must never disclose the room number, personal information, stay dates, or payment details of any guest to outside parties. Never hand out physical keys without verifying a government-issued ID that matches the reservation. Sharing confidential or sensitive information without permission may lead to disciplinary action, including termination. If you suspect that confidential information is being misused, report it to the General Manager immediately.

10.0 CUSTOMER RELATIONS

10.1 Customer, Client, and Visitor Relations

Our guests are the reason we're in business. You are expected to treat every guest, visitor, and client with respect, professionalism, and kindness. When engaging with guests, adhere to the 10/5 Rule: make eye contact and smile when a guest is within 10 feet, and offer a verbal greeting when they are within 5 feet. If a guest has a complaint or suggestion, listen carefully and report it to your supervisor. Never argue with a guest or respond unprofessionally. You may contact your supervisor at any time for additional assistance.

10.2 Products and Services Knowledge

All employees should have a basic understanding of the hotel's services, amenities, and layout. Knowing how to answer common questions like check-in time, breakfast hours, Wi-Fi access, or directions helps create a better guest experience and reflects positively on our team. You may refer to our website or ask your supervisor if you ever have any questions regarding our services.
